Dear Posey:

I am writing in answer to your letter, because I will not be home Sunday night when you call, as I had a previous engagement.

About the ballplayer situation. Things still look a little muddy, but even if we had to slow down this season, I am sure we all want to start up again when the situation is cleared up. In view of that fact it would be very foolish to give up claim to good young players.

I have one man who should be a lot of help to you, I will sell outright, money in advance. It is Dandridge. You can have him for \$1000.00. He has several children, and should be a good bet so far as the draft is concerned. If you are interested in him let me know. I had planned on trading him.

I think the baseball picture should be a little clearer after the baseball dinner tonight, and the meetings this week. Maybe the Washington authorities will come out and give us the green light. Lets see what happens, and if the worst comes to the worst we will get together and see what we can work out.

In going over my books I see you all did not pay me booking fees for Brooklyn and Hartford. In view of the fact I payed you for all games you arranged in the west you should pay me for those games. Please take it up with Sonny and Sam.

I hope things clear up soon. I havent received the money from Gottlieb yet, for Aug. 2nd.

Very Truly Yours
